GREEN TRAVEL GRANT AGREEMENT

University of Latvia · Erasmus+ Office
Demo document for Ecorasmus

Student: **Deepthi**
Home university: University of Latvia
Host university: **Universidad Politécnica de Madrid**
Planned destination: **Madrid, Spain**

1. Purpose
This agreement sets out the conditions under which the student receives an additional green travel grant for travelling to the host university by train or bus instead of flying.

2. Eligible travel
The grant covers approved journeys made by train or bus between the origin city and the host city, using the route submitted and approved through Ecorasmus. Air travel is not eligible.

3. Student obligations
The student agrees to:
a) travel on the approved route and within the approved extra travel days;
b) upload all tickets to the approved journey and proof of travel, such as boarding passes or stamped tickets;
c) submit the final report after returning, with a written summary;
d) respond to any document requests from the university within 14 days.

4. University obligations
The University of Latvia will review the journey request and final report, confirm the approved extra travel days, and state any amount to be repaid if the conditions are not met.

5. Repayment
If the final report is rejected, the student will repay the grant amount stated in the decision by the deadline given in that decision.

6. Data and records
Journey data, documents and signatures are kept on the Ecorasmus platform for the period required by the university's grant rules.

7. Agreement
By typing my full name, ticking "I agree," and signing in Ecorasmus, I confirm that I have read and accept this agreement.

Signed electronically on the Ecorasmus platform. Date: **2/6/2027**
